Project Identity

Natuzzi Editions

The Project Identity purpose
is to offer a unique working method
that guarantees chromatic and stylistic
conformity and preserves the Brand's DNA.

This tool represents a guide
that goes beyond the offer of a product,
aiming at the creation of a real project
from the stores to the customers' homes.

Gioia

Oh, what a feeling it is to let the mind wander and the body rest.

Gioia, a compact and functional sofa, was designed exactly with this feeling in mind. Great looks meet comfortable design and flawless technology, to enhance every moment of self-indulgence.

This sofa features Natuzzi's own Motion System, a gentle and sensitive technology developed to recline your position until you find your perfect spot. Experience the head and footrests. Appreciate the contrast stitching on the finest coverings. Then get ready to surprise your guests and cuddle yourself with an Gioia sofa in your living room.

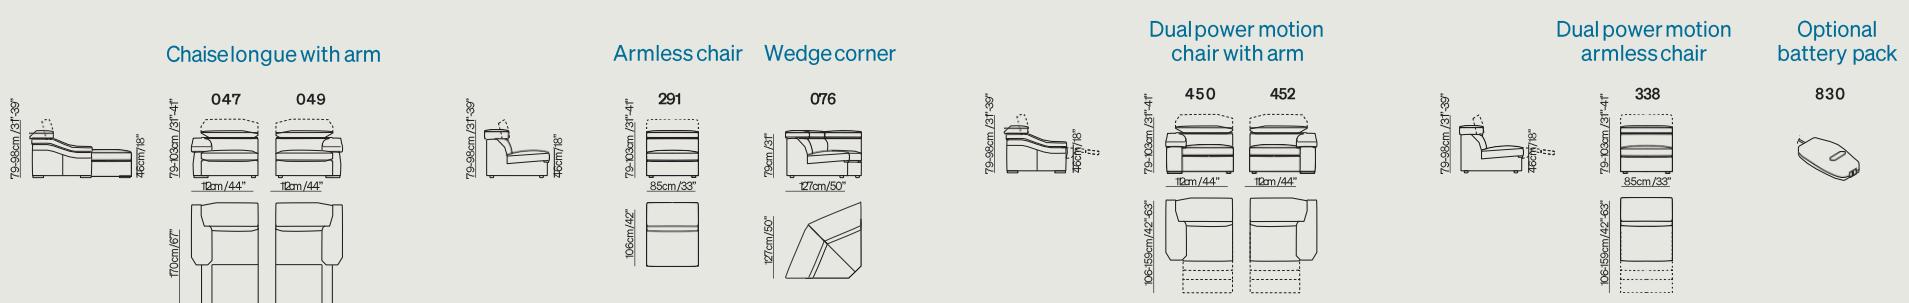

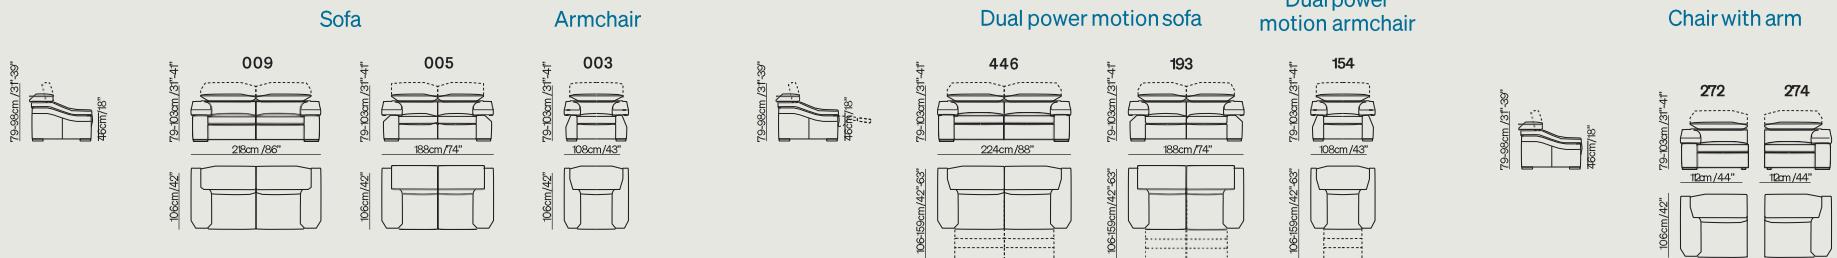

Design by Natuzzi Design Center

In the Natuzzi Headquarter in Puglia, the Design Center preserves the balance between design and functionality, values rooted in the brand's DNA.

Choose your Gioia

The Gioia project is extremely versatile thanks to its 15 SKUs that allow us to create unlimited configurations suitable for any space, from the stores to our customers' homes.

Versatility and configurations

The abacus «Versions and Compositions» shows all the versatility of the project. In particular, as in the examples below:

«Dual Power Motion» Mechanism

The "All-in-One" dual reclining system operates with a smooth sequence, beginning with the adjustment of the headrest followed by the reclining motion of the seat.

«Zero-Wall» Technology allows the sofa to be reclined at a great length without moving it away from the wall.

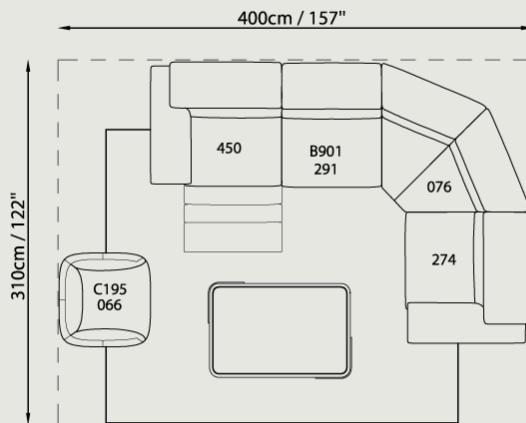

Adjustable headrests

On stationary versions the headrests can be adjusted manually.

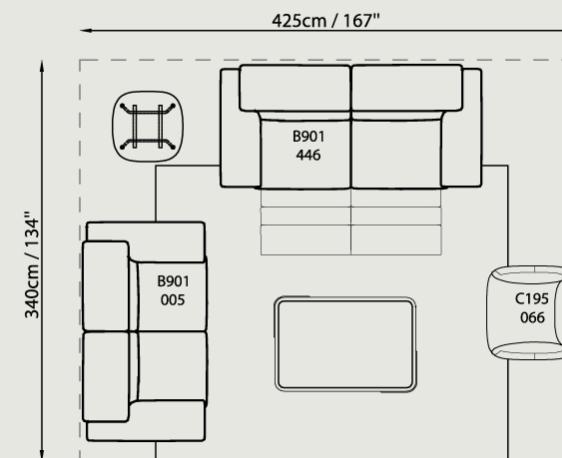

Layout examples

It's possible to highlight the versatility of the project even with different layouts, suggesting the creation of various roomsets to show the optimization of spaces in any living area.

Moodboard cold neutral

The Natuzzi Style Center carefully selects materials and coverings, putting them in dialogue with each other. In this case, the Dream leather in the White color was paired with the Brezza velvet in the Dove color. The combination of these coverings together with the ceramic & wood, will give rise to the moodboard that will create the final total look of the project. Each model in the collection is presented with multiple moodboards to adapt to homes all over the world.

Moodboard cold neutral

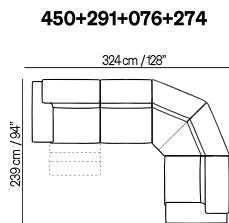

Together with the moodboard of coverings and materials, the Style Centre harmonizes the sofa with furniture and accessories to complete the interior design project.
