This exploded view diagram illustrates the assembly of a wooden cabinet. The main components shown are the cabinet frame with two drawers, a top panel (labeled 2), and two drawers. The diagram includes three detailed insets:

- Top Left Inset:** Shows a vertical rod being inserted into a hole in the top panel (2) and secured with a nut and washer. A curved arrow indicates the rotation of the rod.
- Top Right Inset:** Shows a vertical rod being inserted into a hole in the side panel of the cabinet. A curved arrow indicates the rotation of the rod, and a downward arrow indicates the direction of the rod's movement.
- Bottom Right Inset:** Shows a drawer being inserted into the cabinet frame. A curved arrow indicates the rotation of the drawer, and a downward arrow indicates the direction of the drawer's movement.
